

## Frangipani

*New Possibilities, Confidence, Inspiration, Peace and Protection  
Purity, Innocence and Inner Beauty*

- ☒ This essence helps you to see the limitless opportunities that are open to you. It encourages a miracle mindset, ready to discover endless new possibilities.
- ☒ It helps you relax and detach from your concerns and fearful thoughts, so that you feel safe and calm.
- ☒ It awakens your creative gifts and fires up your kundalini energy with enthusiasm and joy.
- ☒ It opens the crown chakra, opening channels to intuitive knowing and inspiration, so that guidance feels clear and your awareness is heightened. This enables you to go forward with confidence.
- ☒ This is a very useful essence if you feel too open or sensitive, either emotionally or psychically. This helps you distinguish between 'your stuff' and what you're picking up from others. It helps you find a balance between internal and external awareness, to feel confident and protected in your own boundaries, so that you are less affected by external events.
- ☒ It enables you to appreciate your inner beauty and accept that you are whole; a perfect expression of yourself.
- ☒ It heals the feminine aspects of your nature, enabling you to embody your original blueprint of sacred innocence and to express the divine feminine in your life.
- ☒ Useful Affirmation: *'I'm open to boundless possibilities, calmly and joyfully expressing the perfection of my divine self.'*

**Please Note:** Individual essences are not available from Spirit of Transformation, as a bespoke blend is much more powerful. If this essence resonates for you, then order a spiritually guided attunement to receive your personal essence blend, mentioning in your email that you'd like this particular essence as part of your blend.
