

Passion Flower

Finding the Spiritual Learning in Difficult Times Attuning to Christ Consciousness

- ◆ This flower was created by the priesthood in Lemuria. It's not about earthly passion but was named by Catholic priests when they discovered it in South America, as its energy relates to Christ's Passion.
- ◆ Whatever your spiritual beliefs this flower essence helps you to attune to the level of Christ consciousness because it can link directly to your spiritual self.
- ◆ It can encourage you to see a challenging period in your life as a temporary situation so that you rise above the pain and are able to see the spiritual learning.
- ◆ It can help you to 'see' on a spiritual level when visualising or tuning into your inner wisdom.
- ◆ It can ease bad dreams and help you get off to sleep more easily when your thoughts are buzzing.
- ◆ It can support any work you do with messages that you receive in dreams and bring you the courage to connect confidently with your spiritual aspects.
- ◆ It can allow you to connect spiritually at a high level whilst remaining centred and grounded
- ◆ It opens the chakras in the heart, the throat and a small chakra point in the upper side of the arch of the foot. This is one of the points where Christ was nailed to the cross and stimulating this chakra encourages compassion.
- ◆ Astrologically this essence opens you to the most positive influences of Chiron.
- ◆ Useful Affirmation: *'I'm able to see my situation through the compassionate eyes of my spiritual self'.*
